**Financial assistance forms are available in the school office.**

#### Delinquent Loans

Tuition loans that are thirty-days delinquent will result in a notice of delinquency/default being sent to the responsible party. Failure to pay the amounts due within fifteen days of receipt of notice will result in the student being dropped from the school's enrollment. Nonrefundable past-due tuition amounts will be turned over for collection. Dropping from enrollment does not clear past due tuition debt. Delinquent tuition loans or past due tuition amounts will result in the following consequences:

- inability to take exams
- inability to register for upcoming school year
- inability to apply for a tuition loan for the upcoming school year
- inability to obtain a report card, student records, or transcript
- ineligibility for awards

### **Withdrawal Policy**

Registration, book, and computer fees are nonrefundable. Students who withdraw from enrollment during the first eight weeks of the school year may receive partial tuition refunds, payable within thirty days at the following rate:

### **The school will not forward records for students who withdraw with an outstanding balance.**

Notice of withdrawal of a student from the school should be made by the parent in **writing** to the principal at least five school days before the date of withdrawal. This enables the school to prepare necessary information and to settle accounts. No student records will be forwarded to another school until all accounts with the school have been settled with the business office.

**A return fee of \$25.00 will be assessed to your account for any returned tuition payment.**
