Dear Parents,

We have received several calls concerning fall break. In order to ensure that your child is academically prepared for the future, our annual school calendar includes extra days and instructional minutes in the event of emergency school closures. At the weekend masses Fr. Clyde announced we will continue to follow our approved school calendar which includes fall break.

Thank you for your continued support of St. Mary's Nativity. If we can be of any assistance to anyone, please let us know.

God Bless,

Marissa Bagala
